

MEMORANDUM FOR: NFIP Program Managers

FROM:

Deputy to the DCI for Resource Management

SUBJECT: Discussions of FY 1980 Program Guidance
and ZBB Format

1. Several weeks ago you received the NFIP Program Guidance and ZBB instructions. Now that you have had an opportunity to examine them, I would like to gather your reactions. Your comments can help us to make this year's budget procedures work more smoothly and to improve next year's documents. I am also interested in learning what, if any, difficulties you might be having in structuring your program submissions. These submissions should serve not only as the basis for program review, but also for the Budget and Congressional Justification Book presentations.

2. In order to discuss these matters, I have scheduled a meeting for 11:00 a.m. on 3 May, in 6W02, Community Headquarters Building. I hope that your representative can attend.
